Dear Rob,

We would like to congratulate **NetSource** on being a member of the Corning Optical Communications Cable Assembly House (CAH) ConnectionsSM Gold Program for the year 2023.

The exclusive Corning Optical Communications CAH ConnectionsSM Program Gold level is reserved for top tier manufacturers known for their commitment to outstanding quality and industry leadership. Having undergone rigorous Corning process training and evaluation, Gold level companies share Corning's dedication to quality, technology and innovation by consistently manufacturing products of superior performance.

Patch cords manufactured by Corning Optical Communications and by member companies of the CAH ConnectionsSM Gold Program are included in the Corning Optical Communications LANscape™ Extended Warranty ProgramSM which provides a 25-year project warranty.

We at Corning applaud **NetSource** in achieving membership in the CAH ConnectionsSM Gold Program.

Sincerely,

David Moser
